Customers are offered drinks, baked goods, and about 10-15 friendly kitties to hang out with during their stay. The amount of kitties in need of a loving home is overwhelming, so by introducing cats to their customers, The Magic Cat hopes to reach more adopters. People are not always aware that they are in need of a loving pet until they meet them, so the café aims

to attract customers with their coffee-making services hopefully help fall in love with one of their cats.
